

Non-rusting and highly flexible material protection conduit; extremely robust; double folded metal profile

Properties

IP 40 to EN/IEC 60529

Good screening factor (EMC)

Highly flexible

Increased resistance to tear, pressure and impact

Conforms to RoHS guideline

Temperature range

600 °C

Delivery variants

Futher diameters and lenghts available on request

Design material

Profiled metal strip, stainless steel (INOX); twice rolled profile
